LIBRARY ESTGV Guide

The Library

The ESTGV library is one of the libraries that is part of the Polytechnic Institute of Viseu Library Network (REBIPV). Founded in 1986, it aims to provide the academic community with the bibliographic resources necessary for reading, research and teaching. In 1998, the library began operating in a building purposely designed for this purpose after a process of remodeling and modernization. It operates on a free access basis, has a total area of 624 m² and a public access area of 493 m².

Mission

The Polytechnic Institute of Viseu Library Network (REBIPV) has the specific mission of providing information resources, formulating organizational purposes and its options in terms of developing services to support teaching, learning and research, as well as facilitating the community and society in general access to knowledge.
